

Asociación de vecinos/as “El Torcal”

INFOPACK FOR VOLUNTEERS

About the project

The main objective of the Neighbourhood Association is to work with the **local people** to try to build a more **inclusive society**, supporting vulnerable people and responding to the social challenges they face every day: cultural diversity, unemployment, lack of social involvement, social exclusion, promotion of sports, gender equality, care of environment, etc.

The volunteers will work on various topics, in the morning the main activity will be assisting teachers in the **schools** in the area and in the afternoon you will collaborate in the **activities** that the association has to support **social collectives**.

Positive and proactive
attitude, enthusiasm to work,
tolerance and flexibility.

What we do in the project

During the semesters, we help in soup kitchens, in school activities, in sports, we carry out activities that promote human rights, gender equality, intercultural exchange, non-violent communication, social skills, etc.

During summer we organize **summer camps** for the children from all ages in El Torcal neighbourhood.

Volunteers are also taking part in the **activities in the association**. For example football trainings, english classes, salsa classes, intercultural events, handcraft workshop, promoting volunteering and ESC programs, etc.

We are **open** to volunteers' **new ideas**.

Supportive with values of human rights, caring of the environment

Language

English and basic Spanish

General information about A.VV. El Torcal

The El Torcal neighbourhood association was founded in 1987, currently has more than 350 families as members, all belonging to our neighbourhood and other parts of Málaga city.

The association is located in one of the areas with the **highest population density** with great problems of unemployment, low educational level, immigrants and risk of social exclusion.

We promote activities that facilitate their personal development and produce a **positive social change**.
